16TH JULY 2020

NEWSLETTER NO. 21

Principal's Message Term 3 Week 1

Welcome back to what will be another successful term. Teachers have been extremely busy planning a term full of integrated learning. Also, welcome back to Mrs Orchard who has returned from maternity leave. She will be providing enrichment for small groups of students and will be working between classrooms.

Cross Country

On Monday 27th July, our annual cross country event will be held here at the school. All students will participate in the event to generate points for their house. We ask all students to wear their house colours on the day. For daily fitness, classes will be getting stuck into some extra running in preparation for the event. Unfortunately due to COVID-19 restrictions, parents are not able to attend the event.

COVID-19

Some important points are;

1. The main gate into school will be open at 8.30am.
2. Parents are still not allowed on school grounds, unless by appointment.
3. All appointments must be booked by calling the office.
4. Recess and lunch breaks will be all together at 11.00am and 1.00pm.
5. All students must bring their own labelled drink bottle.
6. Everyday, during and after school hours, the school will be sanitised and cleaned.
7. Any child who presents unwell, will be temperature tested and sent home until they recover.

Another Baby Onboard

There was more great news to come out of the staff room this week. Mrs Hunter is expecting her third child in late December. We all wish Katie and Simon the best when taking control of a trio of Hunters!

2020 Book Fair

Unfortunately due to the alterations around COVID-19, we are unable to conduct our annual book fair. We will still have our book week dress up day on Friday 21st August, and a multi-age day of activity rotations; reading the nominated books for 2020.

Cybersafety

During this time when families are around home more often, it is extremely important children are being supervised when using technology and accessing applications. Some reminders are;

A child must be 13 or older to register and access any social media (Instagram, Tik Tok, Snapchat) platform.

This is listed in the terms and conditions.

The popular social media application, Tik Tok, has limited privacy settings and is one of the top apps worldwide accessed by predators.

Children generally have excellent skills using technology, but lack reasoning and understanding when communicating via technology.

Lunch orders

Lunch orders will be available to order from the Lindenow Shop and/or Subway as of tomorrow.

Keep smiling!

Mr Cairns
