NEWSLETTER NO. 15

Principal's Message Term 2, Week 6

YOU ARE NEARLY THERE! The finish line is in site. I can't tell you how excited we are and how much we are looking forward to having students back at school in the coming weeks. It has been an extraordinary effort by students, parents/carers and staff to complete a successful remote learning program. Well done to all!

FACT: Prep students have spent an equal amount of time learning at home than they have at school this year!

Remote Learning Pack Changeover – Monday 25th May (final pack)

To change your child's learning pack at school the following system will be in place. Table groups for grades 3 to 6 will be placed in the office foyer at school. Please change your packs and leave immediately. If you cannot make your allocated time, you will need to organise another time with Mr Cairns or Lu. There will be NO drop off of learning packs on bus routes due to all staff being required on-site.

Returning to school

Hopefully you have all kept up to date with the information sent out this week. Every school will be slightly different, but the important points for students returning to our school are;

- ⇒ The only entry to school will be via the main gate on Henry Street.
- ⇒ Students can not arrive at school until after 8.30am, unless travelling by bus.
- ⇒ Students will depart school at 3.30pm, unless travelling by bus.
- ⇒ Parents MUST NOT enter school grounds, unless they have made an appointment via the office.
- ⇒ Students who are sick must stay home and seek medical advice. Any child who presents unwell will be sent home.
- ⇒ ALL students must bring a labelled water bottle. No drinking taps will be used.
- ⇒ We have a supply of hand sanitiser and soap placed in all learning and administration areas.
- ⇒ There will be increased cleaning around the entire school.
- ⇒ NO PARKING in the turning circle...it will be a continuous rotation of vehicles.

Reports

As you can imagine, semester one reports will look slightly different. We have simplified student reports to focus on the main learning areas covered this semester. Teachers will also comment on the level of engagement during remote learning. Our prep students will not receive progression points, due to the inconsistent start to their education. All other students will receive progression points to show their progress.

Looking forward to seeing lots of smiling faces on Tuesday!

WUK WUK HOUSE

As Wuk Wuk house captain, I just wanted to make sure that that our team is still getting outside, staying fit and exercising. This is really important for our health.
