Student Reports

Hopefully, you received your child's report this afternoon. As I have mentioned before, student reports will look slightly different than previous years. There is a brief note inside the envelope explaining the condensed version. Contact your child's teacher if you have any questions, or contact me via the office with any feedback.

Additional cleaning and sanitising

As the COVID-19 pandemic continues, all government schools have received further funding for additional sanitising during Term 3. We will continue to have all indoor and outdoor high touch areas sanitised everyday so our school is a safe and hygienic place for everyone. Deb Jemmeson will continue and Steve Browne will fill in the gaps.

Cross Country

We are excited that our school can now hold our annual cross country event. We are planning on holding the event on Monday 27th July at school. All grades will be involved and we request they wear their colours on the day to support their house. Students who participate will also earn points for their house.

Lunch orders

Lunch orders will be available to order from the Lindenow Shop and/or Subway at the beginning of Term 3.

Enjoy the break!

RIDDLES OF (LAST) WEEK:

Ryan Crotty – 2/3J

I have a lot of uses, but usually for one.
You throw me out after use, usually at least.
You open one side, never the rest.
You get me by ordering.
What am I? **A box**

Harrison Micallef – 2/3J

I have water in me that always goes away.
I never know where my water gets in, but I
also don't know where it goes next.
I'm always wet but always dry too.
What am I? **A drain**
