NEWSLETTER NO. 9

Principal's Message Term 1, Week 9

Well, it has been some kind of week for our community, state and country! Here at Lindenow PS, it has been unusual with the limited students and heavy forward planning. We currently have some staff working from home with others working within the school. All up though, there is a positive vibe about what we will create for the future.

I can't say how impressed and proud I am of our teaching, admin and ES staff. They have worked extremely hard already this week at creating engaging and relevant learning tasks for all students in the possibility we may have to move to remote learning.

You can rest assured we have formulated a plan if we have to supply learning to students at home. Most families have requested a combination of online activities and hard copy tasks. The staff have taken into account the ability of all students and the potential availability of devices and parent support.

We have created a range of learning tasks that are independent, so there will be less demand and stress on the parents or carers to deliver the information. It is not meant to be a full day learning, it is open-ended and not time-specific, so families can easily adjust.

Communication is key in the current climate. All teachers are available on ClassDojo and via email. If you have any questions or concerns, we are available to call at school, on the school mobile or via the school email. Judy, Lu and I will be able to answer all your questions. Pay attention to your emails, your child's ClassDojo, our Facebook page and our website for further updates.

School Council

Congratulations to John Alexander who was nominated and voted in as our School Council President. The Alexander name has a long and proud history here in Lindenow and it is a pleasure to have John continue that. We look forward to John leading our group of councillors and helping us move our school forward in the coming years.

In the coming weeks, there will be a special newsletter sent out recognising the 16 years of service Murray Ingram has given to our school and community. We can't thank Murray enough for his efforts and the input he has had in making our school the best it can be for our students. Thank you to you and your family Murray!

Also, thank you to Anita Feather for her time and commitment while on the school council. The depth of knowledge and proactive thinking meant Anita was a well-respected and integral member of the council. You will be missed Anita!

Taking over Anita's position, it is welcome back to Graeme Jemmeson. He is an experienced councillor who is knowledgeable, fair and productive. Great to have you back Graeme!

School Council members: *John Alexander (President), Khai Collins, Leah Simpson, Rachel Zygarlicki, Adam Crotty and Graeme Jemmeson.*

Be respectful, responsible and resilient!

Be kind!
Mr Cairns
